Best Practices of the institute

1. Title of the Practice: Promotion of universal values among students.

1.Objectives of the Practice: In a world where self-interest often takes precedence, institutions that recognize the importance of inculcating universal values such as the promotion of truth, selflessness, righteousness, and others play a vital role in shaping a more ethical and just society.

2.context: The value education cell inculcates among the students.

a) **Respect for Diversity:** Encourage students to appreciate and respect people from different backgrounds, cultures, and perspectives.

b) **Equality:** Emphasize the importance of treating all individuals with fairness and impartiality. Teach students about human rights and the principle that every person should have equal opportunities and be protected from discrimination.

c) **Incorporate Values Education:** it is mandatory to include values education as part of the curriculum. This can be done through dedicated classes or by integrating values into existing subjects.

d) **Multicultural Awareness:** Promotion of multiculturalism with the awareness of different cultures and their values. This can help students appreciate the diversity of values around the world.

e) to develop a positive attitude

Students took participation actively and were informed about the importance of value education by the role of Gurus in modern age. Each student was given opportunity to present themselves.

4. Evidence of Success: It's heartening to see that students are increasingly showing interest in practices that promote universal values, moral education, or other related activities.

5. Problem encountered:

- i) Shortage of infrastructural facilities: A separate hall/room is required to hold these classes.
- ii) Shortage of manpower: The adhoc staff is mainly undertaking these classes. But there are only five fulltime teachers in this department at present which is a constraint.
- iii) Resources required: Removal of infrastructural bottlenecks and more manpower will help to strengthen this practice further.

2.The title: Dealing with wastes in the campus.

1. Objectives of the practice: A group to deal with waste management in the campus is formed constituting of students and staff of the college. The objectives of this group are:

- a) To generate awareness among students of managing wastes.
- b) To involve the students in cleaning their college campus.
- c) To set up waste bins in sufficient numbers to avoid littering.
- d) To generate consciousness among students about e-waste accumulation and disposal of e-waste from the college campus.
- e) To promote a sense of hygiene among students.

2.The context: The content of the practice is to carry out waste management in a participative manner involving both students and teachers and also the NSS.

3.The Practice:

- a) Plastic Remove Campaign was organised by our college on 16th July, 2022 to bring about awareness about the plastic removal among the students.

b) College Campus cleaning program by N.S.S. unit was organised on 2nd September, 2022 to bring out the awareness of cleanliness in society among the students.

4. Evidence of success: As an outcome of the programme, students became aware of the importance of cleanliness. Each student in the group was asked to give feedback on the waste scenario of the college and how it can be improvised.

5. Problems encountered & Resources Required: Funding and Infrastructural bottlenecks are the main problems encountered. Availability of funds and removal of infrastructural bottlenecks together with increased students' participation will make this practice a grand success.
